

Cersaie 2016: Here we come!

Ceramica Globo confirms its presence at Cersaie from 26 to 30 September 2016, with a stand measuring 400 sqm inside Hall 21. Many new products and innovations will be presented which update some existing collections and demonstrate once again the know-how and dynamic nature of the brand.

Display Collection by GamFratesi

At Cersaie 2016, Ceramica Globo offers the public a line of washbasins designed by the Italian-Danish duo GamFratesi, one of the most acclaimed and successful design team in recent years. For Display, the designers have created a collection of four spacious square-shaped washbasins with clean lines.
