Con finiture che esaltano la matericità del legno, in versioni laccate o con superfici testurizzate ed effetto pietra, i mobili contenitori alloggiavano tre basi porta lavabi, da appoggio o da incasso, declinate in un'ampia scelta di materiali.

## Rigore e solidità

### Rigour and solidity

The distinctive feature of this collection of wooden furnishings is its pure, classic design. The well-proportioned, modular, wall-hung cabinets and units can be placed side by side or stacked, complemented by simple étagère wall units or an elegant shelf for countertop washbasins. With finishes that enhance the material-like appearance of wood, available in lacquered versions or with textured or stone-effect surfaces, these cabinets can accommodate three washbasin bases, either free-standing or built-in, made from a variety of materials.

# Pensili Kubiko

Un disegno minimale che nasce dalla sottrazione e dalla risposta a gesti quotidiani. Tile è una soluzione completa e dall'ingombro ridotto che integra piano d'appoggio in ceramica, portasciugamani e ripiano contenitivo in un solo elemento dalla struttura snella e sospesa in acciaio verniciato nero. Può alloggiare quattro modelli di lavabo da appoggio e il piano è disponibile nell'intera palette Bagno di Colore.

## Essenza e concretezza

### Essence and substance

A simple design resulting from the removal of unnecessary elements and focusing on everyday functionality. Tile is a complete, space-saving solution that combines a ceramic countertop, towel rail and storage shelf into a single element. Its sleek, suspended structure made of black painted steel can accommodate four different models of countertop washbasins, and the top is available in any colour from the "Bagno di Colore" palette.

Presenta una struttura tubolare a terra in acciaio verniciato nero, completata da un piccolo piano d'appoggio in metallo e da un portasciugamani. Ring è realizzato in tre varianti per accogliere altrettanti lavabi a incasso.

## Classicità senza tempo

Ring, Struttura a terra

Composto dal piano ovale in DEKTON® con dimensioni generose, dall'esile struttura in tondino di acciaio nero e dal voluminoso cassetto contenitore in mdf laccato, Bob è un gioco di equilibri geometrici e materici. E un invito a sperimentare con i colori: ton sur ton o a contrasto tra i 3 toni del piano, le 14 nuance Bagno di Colore dei lavabi da appoggio.

## Equilibrio tra contrasto

### Balance of contrasts

Featuring a large oval-shaped DEKTON® top supported by a sleek black steel rod structure and a spacious lacquered MDF storage drawer, Bob is an interplay of geometric and textured balances. It invites experimentation with colours: tone-on-tone or contrasting combinations among the three tones of the countertop, the 14 "Bagno di Colore" hues and the new 7 glossy shades for the countertop washbasins.

Arredo bagno con lavabo e ripiani di contenimento tutto in uno. Stripe appare compatto e geometrico, con la struttura a terra e sospesa in acciaio nero o bianco, il ripiano in vetro retro-verniciato nero o bianco e il lavabo a consolle. Stripe+ ha una conformazione snella e lineare, con piano in DEKTON® per accogliere un'ampia scelta di lavabi da appoggio e la struttura in acciaio nero a sezione rettangolare, arricchita da piani in vetro temperato fumé. La struttura accoglie anche un contenitore in mdf laccato nelle numerose tonalità Bagno di Colore. Infine, Stripe Easy rilegge i tavoli in multistrato degli anni '50 con il bordo del piano a vista. Essenza lignea ripresa anche nelle gambe della struttura, intervallate dall'esile tondino in acciaio nero che alloggia il portasciugamani. Contrasti cromatici e materici che segnano una presenza decisa nell'ambiente.

## Funzione e presenza scenica

### Function and striking presence

Bathroom furniture that combines all-in-one storage shelves and a washbasin. Stripe appears compact and geometric, with a floor and wall-mounted structure in black or white steel, complemented by a back-painted black or white glass shelf and a console washbasin. Stripe+ has a slim, linear profile with a DEKTON® top that accommodates a wide variety of countertop washbasins. Its black steel structure is supported by a rectangular cross-section and enriched by fumé-effect tempered glass tops. The structure also includes a lacquered MDF container available in various "Bagno di Colore" shades. Last but not least, Stripe Easy is a modern take on 1950s plywood tables, featuring a visible top edge. The legs of the structure are also made of wood, interspersed with slender black steel that houses a towel rail. Colour and material contrasts make a bold statement in the bathroom.

Compatto e sospeso, Plain è una soluzione funzionale e rigorosa caratterizzata da un vano-contenitore laterale in acciaio nero con tre scomparti a giorno. La stessa struttura può avere una versione frontale aperta, con piano in vetro temperato fumé e portasciugamani nero, oppure chiusa con il cassetto in mdf laccato nelle finiture Bagno di Colore. Lo stesso cassetto può riprendere la tonalità dei lavabi a consolle T-Edge.

## Materia e versatilità

### Matter and versatility

Compact and suspended, Plain is a functional and rigorous solution characterised by a side unit made of black steel with three open compartments. This structure has two variations: one with an open front, featuring a shelf in fumé-effect tempered glass and a black towel rail, and another with a closed front and a lacquered MDF drawer available in a "Bagno di Colore" finish. This drawer coordinates beautifully with the colours of the T-Edge console washbasins.
